

# PRESCHOOL SUMMER THEMES

## **Reptiles Alive**      **June 21—25**

We'll kick off our summer by taking an adventure into the reptile world and encounter some remarkable reptiles, have a visit from "Reptiles Alive" and experience an up close live reptile show.

## **Discovering Dinosaurs**      **June 28—July 2**

We'll have a dynamite time digging for dinosaur bones and take a journey into the prehistoric world in which they lived. We'll also go online for some awesome dinosaur sounds and pictures.

## **Western Roundup**      **July 6—9 (4 days)**

Children will design their own western outfit and have a fun time pretending to be "home on the range." We'll ride stick horses, learn to lasso cows and cook up some incredible cowboy stew.

## **Native Americans**      **July 12—16**

We'll explore the territory of the Native Americans and check out what kind of houses they lived in. We'll also make our own "Head Dress" and have a big "Pow Wow."

## **It's a Bug's Life**      **July 19—23**

We'll have an awesome week learning about special bugs and crawly critters. We'll go bug hunting and bring a few friends in to visit our class. We'll also find out how bugs can be beneficial to our environment.

## **Under the Big Top**      **July 26—30**

Children will develop their own "circus" with performing acts, have a visit from a clown, take a trip to Accotink Park to ride the Carousel and enjoy Popcorn and Cotton candy.

## **Under the Sea**      **Aug. 2—6**

We will have an awesome adventure exploring the depths of the sea to discover what kind of unique creatures live there. We'll also have a visit from "Under the Sea," a live show with up close encounters with sea creatures.

## **Hawaiian Hullabaloo**      **Aug. 9—13**

During this week we'll make leis, create some awesome sand art and play the "Limbo." We'll end our summer fun with a Hawaiian luau.

**August 16—20: Preschool Closed—Teacher Orientation/Training--No Child Care**
