Date: June 23-27

## Field Trip Highlights:

We are all settled in; staff and campers alike are having a wonderful time at camp. Friends are being made. Ah, the conversation and games we've played. There are many more exciting field trips and games to come.

Next week we will be expanding our minds in the following way:  
**Sign Language/Spanish-** we are learning new ways to communicate.  
**Science-** We will explore a different marine life animal each week.

## Reminders:

- ✓ T-Shirts must be worn on all field trips (**\*they are on order**)
- ✓ Campers must wear sneakers at all times for safety's sake.
- ✓ Tank/midriff tops are not allowed at camp.
- ✓ Swimsuits must be one piece only; you also need to bring a cover-up for traveling to the pool.
- ✓ Due to the high energy we are exerting at camp, we have included two breaks into our routine. We now have a fruit break (fruit only) and an afternoon snack (campers choice). Parents! Please include extra snacks in your child's lunch to accommodate for these breaks.

On field trip days, please pack only disposable items for lunch. Transition is smoother and our campers travel lighter 😊
