

2025-2026 WOLCA CELL PHONE POLICY

By signing this statement, my parents and I understand cell phones, and any communication device that connects to the internet, is not allowed on the WOLCA campus.

If I bring a device on campus, it will be taken from me and given to my parents.

If I continue to not follow the cell phone policy, my enrollment at WOLCA will be called into question and I will be placed on step 2 of the WOLCA Behavior Policy.
